Seniority

We have 2 commitments coming up. 1 is a rehearsal on **Monday, August 21**st from 2:00-4:30pm (hopefully we will be able to end early, but please book all of that time as this is the only day we can dedicate to this). We need to learn a 4-part version of O Canada because during this season we will be playing a team from Canada. Voice parts are below. I have a pdf and track for each voice part. I am hoping you all come to rehearsal with it learned/memorized so we can breeze through that rehearsal and end early. Please take the time to learn it.

Additionally there is a pep rally on **Tuesday, August 22nd. We are needed from 4-7pm**. We will rehearse and there will be food trucks and various student group performances – similar to last year.

Your job right now is:

- 1) Send a message to your **section manager** (in bold within your section) with your name.
- 2) Let your section manager know if you are available or not for the rehearsal on August 21st from 2:00-4:30 and for the pep rally (the next day) on Tuesday, August 22nd from 4-7pm. (hopefully we can start a little later for this if we do really well on the 21st...and we have good attendance on the 21st so we do not have to spend as much time reviewing on the 22nd....so do your best to make the 21st work, please!
- 3) Start practicing your part! Here is the pdf and your tracks! O Canada your section managers can share it with you, too. I am also putting it on the choir website www.cvchoirs.weebly.com click on Student/Family tabs → Learning Tracks. It will be toward the top.
